Last Saturday's Woodingdean Carnival was once again a super community event. Thank you to everyone who made it along on the day and a special thanks to those who carried our Merbird on the parade. We were honoured to be awarded the Carnival Cup once more: the children were very proud!

Our PTFA stall was as popular as ever as we offered children the opportunity to print their own t-shirts and make slime! Thank you to all the adults who helped out on the stall over the day and a special thanks to Anik and Lou, the driving force behind operations-they are on a serious mission to fund some more fantastic new pieces of playground equipment for all our children to enjoy.
