

## PRIMARY PE AND SPORT PREMIUM OVERVIEW 2015-2016

We believe PE and School Sport plays an important role for every pupil, with the potential to change young people's lives for the better by engaging in physical activity and sport.

We have welcomed the Government's announcement in June 2013 to provide additional funding to improve the provision of physical education and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions, clubs and events for our young people both within school and the wider community.

We are part of 'The Deans Sports Partnership' which involves the following schools; Downs View Special School, Longhill High School, Our Lady of Lourdes Catholic Primary School, Rudyard Kipling Primary School, Saltdean Primary School, St.Margarets Primary School and Woodingdean Primary School.

Woodingdean Primary School is the 'host' school and the partnership employs Mr.D Hambrook who is an Advanced Skills Teacher of PE to work and support alongside the partnership schools. Other staff are used within the partnership throughout the year.

The following is an overview of the partnership work.

<b>What has/is being done (strategic focus in bold and additional objectives)</b>	<b>Impact/Outcome</b>
<p><b>Improving teaching and learning*</b></p> <p>Provide curriculum PE support with a programme of observation, modelled lessons and team teaching to individual teachers and the PE subject leader</p> <p>Inset/CPD opportunities for staff</p>	<p>Improved quality of provision and greater confidence for staff being supported by upskilling them and then they are able to share planning and good practice with colleagues</p> <p>PE CPD support has been provided by the partnership manager, community coaches and additional support as a result of successful funding bids from Sussex Country Cricket Coaches and community support from Longhill Sports Centre staff</p> <p>Improved achievement levels and expectations for pupils in terms of outcomes and expectations</p>

<p><b>*Each subject leader has copies of evaluations from teachers supported and insets attended*</b></p>	<p>Supports member of staff with issues such as class management/health and safety concerns in PE</p> <p>Gifted and talent identification (signpost to local clubs within the community and the wider area e.g. Rottingdean Cricket Club, VA tennis development centre</p> <p>Regular meetings with the subject leader to provide up to date support and guidance on Physical Education including matters relating to local and national programmes</p> <p>Subject leaders attend regular meetings and are updated on National Initiatives and PE developments including OFSTED</p> <p>Staff have the opportunity to attend cluster insets and then utilise the new skills with their classes and colleagues, insets offered have been in tag rugby, SEN activities, striking and fielding games and gymnastics</p>
<p><b>School to Community</b></p> <p>Developing the health and wellbeing of young people</p> <p>Provide opportunities to increase participation</p> <p>Competitions Programme</p> <p>Leadership programmes</p>	<p>A programme of new and enhanced out of school hours opportunities have been offered including both competitive and non-competitive activities utilising the excellent facilities within the partnership notably Longhill Leisure Centre</p> <p>Rugby World Cup Festivals took place at Longhill with over 200 children from keystage 2 taking part over the two days from the five primary schools</p> <p>Olympic games torch run – all schools from the partnership were involved in the run that started at Woodingdean and finished at Saltdean visiting all schools. There were torch runners from each school involved as well members of staff and parents/carers of sports captains and over 2000 children/adults took part in the laps at the different schools when the torches arrived. Despite a huge rainstorm as we arrived at Saltdean the torch run group all made it to a quite incredible reception at the school</p> <p>The Deans Community Champions Cup is contested throughout the year in football, netball, hockey, athletics, cross country, tag rugby, cricket, volleyball and tennis. Trophies and medals are presented to the winners and runners up from each individual competition. Each school is awarded points for each individual competition and at the end of the year a cup is awarded to the Champions and Runners up based on the results of all of the twelve competitions, congratulations to Woodingdean as</p>

the Champions for this academic year

Some competition winners have the opportunity to represent the cluster at the School Games City Final event which can lead onto the National School Games

Gifted and talented runners based on the mini mile event were identified from each primary school and they came together to form a 'Deans Partnership Team' at the City cross country event picking up numerous medals and team prizes

New opportunities were offered linked to Rottingdean Cricket Club with support from Sussex County Cricket Club, South Coast Elite Basketball development and Virgin Active tennis

Over 250 children took part in the new initiatives linked to Cricket, Tennis and Basketball

Change4life multiskill clubs are offered for year's reception, 1, 2 and 3 during the course of the year. Over 400 children took part in the various clubs from the different primary schools

Community Clubs run in various activities for the cluster of schools for dance, cricket, football and tennis

Low cost holiday programmes delivered at central sites, these were delivered in multisports, dance and football

Provide opportunities to increase participation with local providers e.g. Longhill Leisure Centre by way of supporting the academy after school club programme

All children in year 5 have the opportunity to take part in a leadership programme during curriculum time which culminates with them running a multiskills festival for KS1 and certificate of achievement presented

Year 6 children have the opportunity to become 'sports captains' and lead various activities and represent the school in different ways. This programme is linked to literacy in terms of the application form and persuasive writing. Those chosen then help in a number of ways such as assisting with the multiskills clubs for younger children and reporting on events for the school noticeboards/website

Sports leaders from Longhill 11 provide additional PE support at various times throughout the year

	<p>supporting PE lessons, sports leaders also support the competition programme which allows increased number of children to enter events</p> <p>Over 40 students passed the award and also received an additional award from the Rotary club for the Young Citizens Volunteer Award Scheme</p> <p>The Longhill leaders supported over 1000 children during the year and provided over 200 hours of additional community PE support through the programme</p>
<p><b>Enrichment opportunities</b></p> <p>Raise the profile of PE and School Sport</p> <p>Community events/special events</p>	<p>Regular celebration of events in assemblies with certificate presentations and sharing of results from competitions</p> <p>The Olympic torch run involved all schools within the partnership.</p> <p>Clarendon dance show – over 160 children from the partnership took part with an audience of over 500 in attendance.</p> <p>Community Cricket day held at Rottingdean Cricket Club for children and parents/carers to participate in cricket coaching</p> <p>Visits to special events trip to Twickenham to see Rugby was attended by over 100 children and staff</p> <p>Visit to Eastbourne to see the international tennis championships was attended by over 130 staff and children from the partnership schools</p>
<p><b>Reporting and communication</b></p> <p>Provide ongoing information for each school through the lead member of staff for PE</p> <p>To keep schools fully informed of latest curriculum initiatives/OFSTED requirements and support</p>	<p>Regular meetings for lead members of staff from each school</p> <p>Disseminate minutes from meetings to key personnel/stakeholders</p> <p>Provide immediate support as and when needed for OFSTED inspections, three schools have been inspected within the last academic year and feedback from OFSTED in each school has indicated a positive response towards the way the partnership works and supports schools</p> <p>Meetings are also offered to the PE link governors from each school to discuss the partnership programme</p>

<p><b>Partnership sustainability</b></p> <p>Create a partnership identity and gain support from local companies</p>	<p>Sponsorship has been received from a number of local companies for initiatives such as multiskills club, sports captains' t-shirts</p>
<p><b>Additional information</b></p>	<p>Each school contributes £7500 from the Sports premium funding allocation, this money pays for the staffing and associated running costs of the Deans Sports Partnership</p> <p>The additional funding remaining that schools receive is spent within the Sports Premium funding guidelines by each school</p> <p>Rudyard Kipling used the extra money to pay for Brighton &amp; Hove Albion in the Community to come in and support teachers in Year 3 &amp; 5 as continuing CPD. They also then ran a Multiskills after school club.</p>
<p><b>Priorities for 2016 - 17</b></p>	<p>School to contribute £8350 from the Sports premium funding allocation, this money pays for the staffing and associated running costs of the Deans Sports Partnership</p> <p>Using other PE funding to provide CPD support for Y5 &amp; Y6 teachers. Simon Hoad from the Dean's partnership to work on Mondays to train Y5 &amp; Y6 teachers and children to be able to compete in Dean's Partnership competitions and tournaments.</p> <p>Dean's Partnership providing gymnastics coach for Y1 class and giving NQT CPD support.</p> <p>Rudyard Kipling to host gymnastics CPD for the Dean's partnership schools run by Darren Hambrook.</p>
