

## **The Ethos and Values of Rudyard Kipling Primary School**

Children come first at Rudyard Kipling. They are the heart and soul of our school. We want our children to be responsible, independent, enthusiastic and highly motivated individuals. We positively promote an environment where mutual respect and tolerance are the core values at Rudyard Kipling.

### **We aim to ...**

- Create a caring, safe and calm environment in which effective learning can take place and there is mutual respect between all members of the school community.
- Promote the development of children's self-worth, identity and achievement.
- Support children in becoming independent, self-disciplined and responsible life-long learners who are able to make positive choices.
- Develop in all children the ability to listen to and empathise with others and to appreciate and celebrate differences.

### **We show respect for each other by ...**

- Being kind and gentle
- Listening to others
- Doing the right thing
- Being honest
- Looking after things inside and out

We are proud to be members of the Rudyard Kipling community. The classes are named after Rudyard Kipling characters to reflect the sense of belonging Kipling created for them.

**‘Together we will help each other to achieve our best.’**
